

QUESTIONNAIRE FOR BOOK WRITING

1. **What will your book be about?** Please be specific.
2. **How many chapters would you like your book to be?** " on average, there are 250 to 300 words per page. A 200-page manuscript will constitute about 40,000 to 60,000 words. This is also contingent on font size, images, and placement.
3. **How many hours a month did you want to have this book worked on?**
4. **What is your monthly budget?**
5. **Will you be self-publishing** your book?
6. **Why do you want to share** your knowledge and experience with others?
7. What would your book **title** be?
8. **What would your ideal reader receive** as a result of this book?
9. **What would your cover be like?** (I am not a designer however, I can provide feedback and create something that may be ideal for you.)
10. At what stage are you with your story? For instance, are you just starting to generate ideas for your book? Are you already halfway where you need assistance in the process?
11. **What is your overall goal** for this book? Residual income? Extending your network?
12. **What is your marketing strategy for this book?**
13. **How will you measure the success of your book?**
14. **What is your ideal deadline for this project?**
